I am delighted to share with you tonight some of the successes in our foundation year at St John Bosco College. As a staff we feel very privileged to see the "JOY IN LEARNING" every day in your children. I am very lucky to have such a passionate and dedicated team who create a flourishing environment in which every student at St John Bosco can thrive, where development of each individual child is of utmost importance to the staff. It is a joy to visit classes every day and see staff nurturing our students to become successful learners who will be able to contribute positively to society. Thank you parents, grandparents and guardians for allowing us to assist students in their educational journey.

The Friends of St John Bosco only just begun recently and already have contributed plenty to the College. Thank you to the executive and to all our Friends of St John Bosco who have made this year such a success.

Thank you to our College Board for setting the scene for St John Bosco College and doing all the hard work in the background to ensure that we were able to open our doors on February 2 this year. You have been a tremendous support to me before the staff were appointed and have continued to be a great support this year.

Thank you to Father Kaz and the St Francis Xavier Parish for being an inspiration to all of us here at St John Bosco in our foundation year. We are very much looking forward to 2016 when our Year 3 students will make their Sacrament of Reconciliation.

Our current student population is 137 students. In 2016 we will have 220 students from Kindergarten to Year 3 and 22 staff. We will have two Kindergarten, two Pre-Primary, one Year 1, one Year 2 and two Year 3 classes. Our Three Year Old Program has also been approved by Catholic Education WA to start in 2016. We are currently waiting on final approval from the Minister for Education.

Stage Two will see the completion of the Primary buildings and will include two studios added on to the Junior Primary Learning Centre, an Upper Primary Learning Centre consisting of 6 studios, a Multi Purpose Space that will house a uniform shop and toilets, another hard court, a Primary oval and more car park space. Stage Two will be completed in readiness for 2017 when we will have students from Kindergarten to Year 4. Secondary students will commence in 2020 when our current Year 2 students will be in Year 7.

Thank you for your continued support as we work collaboratively together to enable your children to experience "JOY IN LEARNING" at St John Bosco College.
